ABOUT UNIVERSITY

Mahayogi Shri Gorakhnath and his glorious legacy of social service and upliftment of the downtrodden are being taken up to the next level through the establishment of Mahayogi Gorakhnath University Gorakhpur. This revolutionary academic endeavour agglomerating Yoga, Ayurveda, medical education, higher studies in different disciplines of science & technology with employment oriented vocational courses.

Shri Gorakshpeeth is a Siddhpeeth. This is Tapsthali of Mahayogi Guru Shri Gorakhnath the incarnation of Lord Shiva. This Peeth provides continuity to Sadhana and Siddhi and is the highest Peeth of Nath Panth. Shri Gorakhnath Temple has made education and health its main medium/vehicle to serve the people and hence the nation. The aim of founding 'Maharana Pratap Shiksha Parishad' by Yugpurush Gorakshpeethadheeshwar Mahant Digvijaynath Ji Maharaj was in fact manifestation of his aforementioned vision and intention. In fact, Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur, has been the result of the educational revolution/renaissance in eastern Uttar Pradesh started by 'Maharana Pratap Shiksha Parishad' at the dawn of independence.

The Maharana Pratap Shiksha Parishad has been established in 1932 by Yugpurush Gorakshpeethadheeshwar Brahmleen Mahant Digvijaynath ji Maharaj. The Parishad acknowledges the fact that any nation is basically identified and recognised by its distinguished culture. The culture of any nation is made of and is sum total of their best national and social

practices, values and ethos. Best social practices and value development is a continuous ongoing process and are nurtured and derived from the traditions and progressive evolution of the society/nation.

Keeping in view the above perspective in mind and to achieve the intended goal, Yugpurush Brahmleen Mahant Digvijaynath ji Maharaj founded 'Maharana Pratap Shiksha Parishad'. The intended goal of 'Maharana Pratap Shiksha Parishad' is crystal clear to prepare and mould the young generation which is committed and dedicated to our nation 'Jagadguru Bharat'. Our work-culture, incorporates in it faith, dedication, sacrifice, transparent lifestyle and sustained efforts to achieve the required goal and objective. The laid down path is the path carved in the light of our eternal Sanatan values, religion, sublime

spirituality, and of course welfare of our people. Educational and training institutions of 'Maharana Pratap Shiksha Parishad' are committed to ensure the holistic development of their students by organizing various academic, cultural and social programmes/activities in addition to study and teaching. This is the ultimate and supreme goal rather religion of 'Maharana Pratap Shiksha Parishad' and its institutions.

The 'Mahayogi Gorakhnath University Gorakhpur is one of the Maharana Pratap Shiksha Parishad's most ambitious and important project with the inauguration of this university on August 28, 2021, by Shri Ram Nath Kovind ji the Hon'ble President of India, is a significant big step forward rather culmination of its 'Bhagirath Prayas towards achieving the goal of making Gorakhpur a "City of Knowledge" as desired by our Hon'ble President Shri Ram Nath Kovind ji, has been accomplished. This university is a multidisciplinary ambitious service project of Maharana Pratap Shiksha Parishad.

To train, educate and groom future generation of Indianized citizens fully imbued in the ethos and values of Indian culture who is patriotic, devoted and dedicated to the cause of nation, with the motto 'राष्ट्रहितसर्वोपरि Nation First'.

Keeping this motto in perspective, introducing them to the Indian culture centric philosophy of life and making them aware of eternal Indian knowledge tradition with a mind-set of dedication and devotion to serve the people. They are educated and trained in a work culture which leads them to public service in various fields of social and national life. Our aim of Health and other public service-oriented projects is to ascertain our contribution in the field of public welfare, serving the people and humanity by nursing, nurturing and conserving the nature and our natural resources and inspire and motivate others especially those who are associated and active in the education and health sectors to participate and contribute in the Yajna of social and national service. Furthermore, for us modern education system is a useful and helpful tool to accomplish and achieve our goal of imparting Bharat centric education to our future generation. Our all the institutions including medical institutions are in fact vehicles to achieve our well enshrined mission of serving the people in myriad ways.

Our aim is help to develop competent, responsible and efficient citizens of tomorrow imbued in Indian value system which inculcates in them character, morality, courage of conviction and highest order integrity, ever ready to serve the nation in any role which is assigned to them or they opt the role of their choice themselves. Moreover, to prepare such skilled forceful and capable citizens who are having syncretic view of material and spiritual life and use acquired knowledge to empower and evolve themselves and to serve the people. Preparing such citizens whose life mantra is

न त्वहम् कामये राज्यम् न स्वर्गम् न पुनर्भवम् ।

कामये दुःखतप्तानाम् प्राणिनामार्तिनाशनम् ।।

In other words - I do not wish for a kingdom, I do not want heaven and salvation. It is my wish to be able to help in alleviating the suffering of people."

AN INSPIRATIONAL LEADERSHIP

An Inspirational, Exemplary, Religious, Spiritual and World
Renowned outstanding Political Leader & Founder
Chancellor of Mahayogi Gorakhnath University Gorakhpur.
-Poojya Mahant Yogi Adityanath Ji Maharaj

Under the inspirational, visionary, insightful and able leadership of the present Peethadheeshwar of Gorakshpeeth and the Chief Minister of Uttar Pradesh, Poojya Mahant Yogi Adityanath ji Maharaj, 'Maharana Pratap Shiksha Parishad' is attaining new heights, milestones, and glory every passing day in the various fields of Education, Healthcare and Welfare services by virtue of its unique special work culture. Under the able guidance of Param Poojya Maharaj ji, a thinker with numerous innovative and creative ideas and a passion for creating new traditions, norms, and conventions on a regular basis, and an ardent nature lover with a scientific bent of mind, the various institutions of 'Maharana Pratap Shiksha Parishad' are being appreciated and recognised far and wide by the entire cross-section of society.

Sustained and ceaseless efforts of Maharaj Ji since 2005 started showing results on the ground in 2013. A hi-tech multidisciplinary ultra-modern university, Mahayogi Gorakhnath University Gorakhpur has been established on the outline of a long-term, well thought-out, and well-conceived plan. Yogi Adityanath ji Maharaj, the founder and Chancellor of Mahayogi Gorakhnath University Gorakhpur, provides an exclusive character to the university, which is proposed to be a modern model university equipped with cutting-edge educational and medical technology facilities, as well as the necessary infrastructure. This university is going to be the backbone of Gorakhpur in the educational and medical fields, a city that is evolving and developing into an educational hub called "Knowledge City".

Vice-Chancellor

It is my great pleasure to welcome you to Mahayogi Gorakhnath University Gorakhpur, a vibrant and dynamic centre of learning committed to promoting academic excellence, innovation, and holistic development. I am committed to ensuring that our university remains a beacon of knowledge, creativity, and progress.

Education needs to be socially relevant, interdisciplinary, and transformative in the quickly evolving world of today. Our goal is to provide an environment where students may develop their creativity, compassion, and intellectual curiosity while also gaining cutting-edge skills. Global professionals who are prepared to contribute positively in their chosen sectors are what we aim to produce. We strive to create

global professionals who are equipped to make a positive impact in their chosen fields.

Some of the brightest minds in academia make up our faculty, and they are committed to helping students succeed academically. We make sure that our students are equipped to handle the problems of the future by placing a high priority on research, innovation, and community involvement.

At Mahayogi Gorakhnath University Gorakhpur, we believe in fostering a community that values diversity, inclusivity, and mutual respect. Our campus is designed to facilitate collaboration, creativity, and personal growth, with state-of-the-art facilities and a wide range of extracurricular activities.

I invite you to join us on this exciting journey of discovery and growth. Together, let us build a future that is filled with promise, innovation, and excellence.

I extend my best wishes to all aspiring students and assure them that we will provide support as they chase their dreams, regardless of their diverse social, cultural, and economic backgrounds. We are confident that you will make our university proud.

Dr. Surinder Singh

INFRASTRUCTURE AND FACILITIES

HERBAL GARDEN (AYUSH VATIKA)

Center of Wellness (Panchkarma)

*"Sama dosha sama agnischa sama
dhatu mala kriyaaha
Prasanna atma indriya manaha
swastha iti abhidheeyate"*

-Sushruta Samhita

Individual is in perfect health when all Three doshas (Vata, Pitta and Kapha), Digestive fire (Agni), all the body tissues (Dhatu) and all the excretory functions are in perfect order and balanced with happy senses, mind and soul.

- Panchakarma is required to maintain the normalcy of Dosha, Dhatu, and Agni.
- Panchakarma is one of the unique branches of Ayurveda.
- Panchakarma refers to five different treatments for detoxification & rejuvenation of the body.

The Panchakarmas are :

- 🌀 Vamana
- 🌀 Virechana
- 🌀 Nasya
- 🌀 Basti
- 🌀 Raktamokshana

DIALYSIS CENTRE

Hospital

Ultramodern medical facilities, therapy care, and services are available in the university campus. All the facilities in the hospital are available being it a team of expert doctors and round the clock emergency services for diagnosis and treatment. The hospital is providing services of Ayushman Bharat as well as CM Fund. Various facilities available are as follows:

- ❖ OPD for all major specialities
- ❖ 26 Bedded ICU
- ❖ 350 Bedded Hospital
- ❖ Operation Theatres
- ❖ Pathology Labs
- ❖ Ultra sound/X-ray
- ❖ Dialysis centre
- ❖ Diagnostic facilities
- ❖ Optometry Lab
- ❖ Pharmacy

ICU WARD

PROGRAMMES

Faculty of Nursing & Paramedical

SIMULATION LAB

NUTRITION LAB

Objectives

The students of this institution on completion of nursing & diploma programmes will be able to:

- Identify health needs of individuals, either in the institution or in the community and take appropriate steps whether they are ill or well.
- Develop knowledge, skill and attitude with scientific principles in health care delivery system.
- Develop ability to think and act independently accepts responsibilities as an individual and citizen.
- Utilize the domains of nursing & laboratory diagnosis to provide clinically competent and culturally sensitive nursing care/laboratory technicians to diverse patients/clients, families, groups and communities in a variety of settings.
- Work collaboratively with patients, family's communities, interdisciplinary health team members, and others in providing nursing care & laboratory diagnosis.

Guru Gorakshnath Institute of Medical Sciences (Faculty of Ayurveda)

Objectives

Guru Gorakshnath Institute of Medical Sciences (College of Ayurveda) has the basic structure of the traditional system of Ayurveda has been developed on refined and ideal standards. Every effort has been made to establish all the eight forms of Astang Ayurveda the eight Branches of Ayurveda. In which Kayachikitsa, Kaumabhritya, Graha (virology), Urdhvaang (Salakya Tantra), Shalya, Drashta (Toxicology), Jara (Chemistry), are available in form of Vajikaran department.

Faculty of Allied Health Sciences

BIOTECHNOLOGY LAB

MICROBIOLOGY LAB

Objectives

In the high-tech healthcare profession, qualified technologists are in high demand. The technological advancement and medical professionals strive to give superior health care. The Faculty of Allied Health Sciences (FAHS) established in 2022 with three departments. Faculty of Allied Health Sciences is offering various Undergraduate and Postgraduate programmes in accordance with National Education Policy (NEP-2020). Critical thinking skills are reinforced in FAHS students through enthusiastic faculty members and real-world initiatives. Students will also learn how to communicate effectively with others on a personal and professional level, as well as how to understand professional, ethical, and societal duties. Most strikingly, students acquire first hand research experience as part of the curriculum through a highly inventive initiative that will result in scientific papers and patents.

Faculty of Agriculture

HI-TECH NURSERY

SEED TESTING LAB

The Faculty of Agriculture established in 2022, stands as a beacon of sustainable practices, student empowerment, and pioneering research in the realm of agriculture.

Guided by the recommendations of the 5th Deans Committee of the Indian Council of Agricultural Research (ICAR), we have meticulously crafted a curriculum comprising each aspect of Agriculture. We are offering undergraduate and doctoral programmes.

Our offered programme is an important step towards an improvement in agricultural practices for diversified cropping areas of the country including precision farming and organic farming. Cutting edge technologies are imparted for improvement in economic farm production with paramount importance of environmental protection and sustainable practices. Skills enhancing courses have been introduced in the curriculum like nursery management, mushroom cultivation, commercial horticulture, commercial bee-keeping, food processing, organic farming and bio-dynamic farming etc.

Faculty of Agriculture prepares students to manage agri-businesses, conduct agricultural research, lead field surveys, and oversee a variety of farming operations.

Beyond professional practices, the Faculty of Agriculture organizes guest lectures, invite experts in their respective areas for providing update exposure to students. All faculty members are highly qualified with Ph.D. & ICAR-NET with adequate experience in their respective field of specializations.

Agriculture graduates have multiple opportunities in banks, seed and fertilizer companies, insurance sector, dairy consultancy areas and pesticides companies etc. They can also join public sector enterprises as Agriculture Research Scientists, food inspectors, Instructors etc. and also can move for the higher studies in their preferred specialization.

Faculty of Commerce

Objectives

The Faculty of Commerce was established in the year 2024 with the aim of producing industry-ready professionals in the fields of Commerce and Management. A memorandum of understanding (MoU) was signed with the Logistics Sector Skill Council (LSC) of the National Skill Development Corporation (NSDC) India, leading to the inception of the Apprenticeship Embedded BBA (Hons) in Logistics program starting from the academic session 2024-2025.

In alignment with the National Education Policy (NEP) 2020 and linked to the National Skill Qualification Framework (NSQF), our department of management offers a cutting-edge program the Apprenticeship Embedded BBA (Hons) in Logistics, designed to prepare students for leadership roles in management and logistics. Our curriculum integrates academic rigor with hands-on industry experience, fostering critical thinking, ethical values, and a commitment to lifelong learning.

Our programs are meticulously designed to develop skilled professionals capable of meeting the demands of the dynamic business environment, with a particular focus on logistics and supply chain management.

Faculty of Pharmaceutical Sciences

Provide high-quality education and training in pharmaceutical sciences to students, preparing them for careers in various sectors of the pharmaceutical industry, healthcare, research, and academia. Conduct state-of-the-art pharmaceutical sciences research with an emphasis on medication development, formulation, and optimization. Encourage teachers and students to create innovative pharmaceutical products, technologies, and solutions that meet unmet medical needs and enhance patient outcomes by fostering an

innovative and entrepreneurial culture within the department. Collaborate on joint research projects, technology transfer, and knowledge exchange with partners in the industry, governmental organizations, healthcare systems, and academic institutions both domestically and abroad. Promote sensible drug usage, medication safety, and health knowledge by interacting with the local population and medical professionals through outreach programmes, continuing education campaigns, and public health initiatives. Support the professional development of students and faculty through opportunities for continuing education, professional certification, and participation in conferences, seminars, and workshops related to pharmaceutical sciences and pharmacy practice.

Shri Gorakshnath Medical College Hospital and Research Centre

Objectives

Shri Gorakshnath Medical College Hospital and Research Centre (SGMCHRC), located in Gorakhpur, Uttar Pradesh, is a premier institution committed to delivering high-quality medical education, training, and healthcare services. Established by Mahayogi Gorakshnath University, the college is dedicated to producing competent healthcare professionals who can contribute effectively to the medical field.

Leadership and Vision

Shri Gorakshnath Medical College Hospital and Research Centre (SGMCHRC) is a premier institution dedicated to excellence in medical education, healthcare, and research. Under the visionary leadership of Dr. Professor Anurag Srivastava, the college upholds the highest standards of academic and clinical training, fostering the development of skilled and compassionate healthcare professionals. With state-of-the-art infrastructure, an expert faculty, and a commitment to holistic learning, SGMCHRC provides students with a dynamic

and supportive environment to excel in the ever-evolving field of medicine. Our mission is to shape future medical leaders who will contribute to the advancement of healthcare and serve society with integrity and dedication.

The faculty at SGMCHRC comprises highly qualified and experienced professionals dedicated to providing personalized attention and support to students. Their commitment ensures that students receive comprehensive education and training, combining theoretical knowledge with practical skills essential for medical practice.

State-of-the-Art Facilities

SGMCHRC boasts state-of-the-art facilities, including well-equipped classrooms, laboratories, and clinical training sites. These resources ensure that students receive hands-on experience and are well-prepared to meet the challenges of the healthcare sector.

Comprehensive Curriculum

The institution offers a range of medical courses, with the MBBS program being a flagship offering. The curriculum is designed to provide a holistic educational experience, combining cutting-edge medical knowledge with compassionate patient care. Students are encouraged to engage in research and innovation, contributing to advancements in healthcare and medical education.

Clinical Exposure

SGMCHRC is associated with a well-established hospital equipped with advanced medical facilities. This association provides students with hands-on clinical training under the guidance of experienced doctors, ensuring they gain practical exposure to patient care and medical procedures.

Holistic Development

Beyond academics, SGMCHRC emphasizes the overall personality development of its students. The institution offers various training and development programs focusing on enhancing communication skills, leadership qualities, and teamwork. This holistic approach prepares students to become responsible and ethical professionals in the healthcare sector.

In conclusion, Shri Gorakshnath Medical College Hospital and Research Centre stands as a beacon of excellence in medical education, fostering an environment that nurtures future healthcare professionals equipped with knowledge, skills, and ethical values essential for making a positive impact in the world.

National Service Scheme (NSS)

The national service scheme unit has been started since 2022 in Mahayogi Gorakhnath University Gorakhpur. Under this national service scheme, there are 12 units (with 1200 students) operating, that are quite eager and striving to fulfil the planning and purpose of the national service scheme.

National Cadet Corps (NCC)

NCC of one sub unit has been started since 2023 in Mahayogi Gorakhnath University Gorakhpur. Under this NCC, University has 102 UP Bn Army wings of NCC. Total cadet's strength in both both wings is 106 (53SD + 53SW).

Internal Quality Assurance Cell (IQAC)

To maintain the quality standards in teaching and research university has established IQAC cell with the following's goal:

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the university.
2. To promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices.
3. To facilitate the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.

Research and Development Cell (RDC)

University has established RDC cell as per guidelines of UGC and Uttar Pradesh Higher Education Department to promote the research activities in context to human welfare and society in its various departments. University has started PhD programmes in Ayurveda, Nursing, Biotechnology, Medical Biochemistry, Pharmacy and Agriculture etc. from the session 2022-23. The details of the PhD programmes and its requirements are given in department wise programme list.

Placement Cell

University placement cell is essential for students to prepare for their upcoming step into the professional world and relieve stress. It helps students to get placed in a job profile they want according to their qualifications and skills, and bridge the gap between preconceived notions and reality. It also helps students to understand the realities of the industry and show the right place where they fit. Additionally, placement cell helps students prepare for job interviews, and increase awareness, to be placed in good companies.

ICT - Enabled Class Rooms

Unprecedented potential for teaching and learning is provided by the amazing rise of communication technology, computer

networks, and information technology, as well as their integration. ICT, or information and communication technology, has the power to change how and what is taught. An ICT-supported environment is interactive, flexible, and easy to use. This makes it possible for both teachers and students to access and share ideas and information in a variety of ways.

ICT-enabled teaching techniques are used on university campuses in every possible way and aspect. Most of the classrooms are equipped with smart boards to enhance ICT-enabled teaching and learning and are also equipped with LCD projectors.

Library

You are welcome to the Central Library of Mahayogi Gorakhnath University Gorakhpur situated in the holy land of Mahayogi Shivavatari Guru Gorakhnath. The library is equipped with Wi-Fi and remains open 24 hours. In the central library, university-level course-related and reference books are available.

On almost every subject and field, national and international research journals and magazines in Hindi and English are subscribed and are available in the library. The arrangements for proper and comfortable sitting and reading for all the users of the library are in place. It is noteworthy to mention that the functioning of the library is fully computerized.

Seminar Hall / Auditorium /Conference Rooms

CONFERENCE ROOM

SEMINAR HALL

AUDITORIUM

The Mahayogi Gorakhnath University Gorakhpur (MGUG) regularly holds national and international conferences and seminars on various themes and specialties. In order to adapt the diverse needs of the participants and the presenters, the University has a number of seminar and conference halls.

The seminar hall in the Guru Gorakhnath Institute of Medical Sciences (Faculty of Ayurveda) is an all-time favourite for holding interactions among a group of 200 people. Besides, it also holds conferences and seminars through video conferencing, which is housed in a hall to accommodate around 40 persons. The Sri Guru Gorakhnath College of Nursing has an open theatre with a capacity of 600 students and a round-table seminar hall.

Digital Library

DIGITAL LIBRARY

The university has a modern computer centre, currently running on a Gigabit LAN with 1 Gbps of internet bandwidth.

It is the nucleus of all computing activities for students, staff, and faculty members. Several terminals running on Windows and GNU/Linux operating systems across the campus provide access to several licenced software

programmes, like Matlab, Mathematica, Cadence, Mentor Graphic, Ansys, PSCAD, and Solid Works. An 802.11 b/g/n Wi-Fi service is enabled in the academic and residential areas. Also, the Computer Centre hosts a high-performance computing cluster for scientific research and conducting online examinations of different agencies.

Mess/Canteen

MESS

MESS

The university offers an excellent choice of places to eat on its campus. University has three canteens, which offer multi-cuisine menus ranging from Indian to Continental, shakes, juices, and other beverages in a modern and hygienic ambience (with one exclusively for girls).

CANTEEN

Hostels

Mahayogi Gorakhnath University Gorakhpur has two hostels, for girls and boys.

The girls hostel name is Maa Pateshwari Sevashram, which has 169 rooms and a 361-student capacity with full facilities, and the boys hostel name is Mahant Gopalnath Sevashram, which has 255 rooms and a 510-student capacity with full facilities.

Both the hostels are well equipped with the necessary modern and up-to-date facilities and services. The hostel rooms are fully furnished and are well equipped with Wi-Fi and other necessary electrical fittings. Every hostel has a warden and superintendent to ensure discipline and security in the hostel.

First-year students are allotted double or triple sharing bedrooms depending on availability. Senior students are assigned single or double sharing rooms based on their age.

Facilities available in Hostels

- 🔑 24x7 Hot and cold water supply.
- 🔑 24x7 Power supply.
- 🔑 Internet connectivity through Wi-Fi system.
- 🔑 Sports facilities and Gym.
- 🔑 Television Rooms, Study Rooms, Cafeteria, Entertainment Rooms etc.

FEE PAYMENT AND REFUND POLICY

Admission Fee Payment

The students taking admission in any program of the university will have to pay admission fee semester wise and annually as applicable.

👉 **For semester system:** Fee payment dates:

- 👉 Complete semester fee has to be paid at the time of admission.
- 👉 For rest other semesters, complete fee has to be paid as per timeline given by the university.
- 👉 Examination fee has to be paid at the time of filling of online examination form during the semester.

👉 **For annual system:** Fee payment dates:

- 👉 Complete first year fee has to be paid at the time of admission.
- 👉 For rest other years, complete fee has to be paid as per timeline given by the university.
- 👉 Examination fee has to be paid at the time of filling of online examination form during the semester.

👉 There is no provision of fee payment in installment.

Cancellation of Admission and Refund of Fee

- 👉 Ideally, cancellation of admission is not allowed however, in special case the same can be processed after the due approval of the Vice Chancellor.
- 👉 If admission cancellation is requested within 7-days of taking admission, a refund of fee after deduction of Rs. 5000/- will be done.
- 👉 If admission cancellation request is made after 7-days of taking admission, in that case NO FEE will be refunded.
- 👉 The above rule will not apply to admissions taken within 7-days of last date of admissions.

Hostel Allotment and Fee Payment

- 👉 Hostel will be allotted at the time of taking admission/counselling in offline mode. Students have to pay one-time payment of annual hostel fee at the time of hostel allotment:
- 👉 For fresh admission only.
 - a) Rs. 65000/- per academic year (For Girls Hostel): This includes hostel fee & food.
 - b) Rs. 75000/- per academic year (For Boys Hostel): This includes hostel fee & food.
- 👉 Students already residing in the hostel have to pay the hostel fee every year in the month of July. Admissions to the hostel are to be renewed every academic year.
- 👉 10% Hostel rooms are reserved for international students. In case of no international students the same will be allotted to other students.
- 👉 Basic hostel facilities/amenities will be provided for a pleasant stay in the campus.

Cancellation of Hostel and Fee Refund

- 👉 No cancellation of hostel is admissible during a academic year.
- 👉 If hostel cancellation is requested within 7-days of hostel allotment, a refund of hostel fee after deduction of Rs. 5000/- plus mess charges will be done.
- 👉 If hostel cancellation request is made after 7-days of hostel allotment, NO FEE will be refunded.

Note: Admission to the hostel is not a right, but a privilege extended to the students.

GUIDELINES FOR APPLYING COMBINED ENTRANCE TEST

1

Fill and register with the portal

3

Fill all the information

Login with your credentials

2

Confirm and Pay fees online

4
